Prototype

BODY

Mobile app login screen prototype. The header features a teal star icon and the text "D.R FOOT" next to a hexagonal image of a building. The main content area has a "Log In" label above two input fields. Below the input fields is a link that says "Create account / Sign Up". The bottom navigation bar contains four icons: a home icon, an envelope icon, a calendar icon, and a gear icon.

BODY

Mobile app registration screen prototype. The header features a teal hexagonal icon with a calendar symbol. The main content area has a "NOM ET PRENOM :" label above an input field, followed by a "LA DATE :" label above an input field, and an "N° LA CARTE :" label above an input field. Below these is a map image. At the bottom, there is a section titled "To pay, you must enter your card information" with a Mastercard logo. This section includes a "Card number" input field, an "Expiration date" input field, a "CVV/CVC code" input field, and a "Card holder" input field. A "Valider" button is at the bottom right. The bottom navigation bar contains four icons: a home icon, an envelope icon, a calendar icon, and a gear icon.

Test

Tester le projet, d'affiner les solutions proposées grâce au retour des clients.

The image features a solid teal background. In the center, there is a white hexagonal frame with a thick teal border. Inside this frame, the words "THANK YOU" are written in a bold, dark grey, sans-serif font, stacked on two lines. The corners of the image are decorated with geometric shapes: a grey triangle pointing towards the top right in the top right corner, and a grey triangle pointing towards the bottom left in the bottom left corner.

**THANK
YOU**
